PAYMENT OF TROLLEY FARES TO CHANGE

Conductors on Local Lines to Be Furnished With Portable Fare Boxes-System to Affect Only Payment of Nickel Fares-Goes Into Effect in a Few Weeks.

During the next few weeks the patrons of the troileys within the five
from the passengers' fingers and
cent fare limit will experience a novelty in the payment of fares as a new
system will be put into effect on the
local lines. Instead of handing the
local lines. Instead of handing the
nickel to the conductor, as formerly,
the passenger will put his money into
a nortable fare hox which will be carbecause of any assening system as elty in the payment of fares as a new system will be put into effect on the flocal lines. Instead of handing the nickel to the conductor, as formerly, the passenger will put his money into a portable fare box which will be carried by every conductor on the road. When the nickel is dropped into the fare box it is automatically registered, thus saving the conductor with the bother of remembering the number of fares collected. These collecting registers or portable fare boxes have been used with marked success on many of the lines in other large cities.

the lines in other large cides.
This register meets a peculiarly vex-atious auditing problem which has al-ways attended the collection of cash on street cars and this register meets this problem in a manner which insures protection and a square deal to both conductor and the company.

Nickels only are to be inserted into the register, and the passenger himself ger, and unfairly reported against him. Donald Gildersleeve of this city, who must do the inserting. When the pas-senger lacks a nickel and tenders an-other coin or bill, the conductor al-

POLICE CONVENTION AT

Chief George Linton of This City Reelected a Vice President of the State Association.

The sixteenth annual convention of the State Police Association was called to order at 10 o'clock Tuesday morning in Hibernian Hali on Main street, New London, by President W. H. Brennan of Stamford.

Prayer was offered by Rev. Timothy M. Crowley, pastor of St. Mary's Star of the Sea church.

Mayor Ernest E. Rogers welcomed the delegates to the city. He spoke of the duty that the policeman has to perform, and said that a man of the force is just as much of a patriot and is doing his "bit" just as much as the man at the front. He told the delegates that the freedom of the city was open to them. He praised the police of the state and told of the extra work that the local men are burdened with since the great influx of army, navel and industrial men hereau to. with since the great influx of army

with since the great influx of army, naval and industrial men began to be felt in the city.

Mayor Rogers spoke of the advantages that the state and city would derive from the state pier, and said that the U. S. government was paying the state \$20,000 per year for its hire. After all expenses and interests are paid, the state is still deriving a fine dividend on the money invested. He ent values, and at times it is almost impossible in view of frequent inter-ruptions, for any man always to re-member the number and sort of fares dividend on the money invested. He concluded his remarks by saying that he ambition that his son held was

to be a policeman.

President Brennan told of the work that the organization has done in the senger lacks a nickel and tenders another coin or bill, the conductor alloways returns full change. The passenger then inserts the nickel or nickels, depending on the number of fares he wishes to pay. The occasional passenger tendering five pennics will be senger tendering five pennics will be the larger cities of the country, there are the country to be senger tendering five pennics will be the larger cities of the country, there are the conductor and the senger tendering five pennics will be the larger cities of the country, there are the conductor and the senger tendering five pennics will be the larger cities of the country, there are the conductor. This new system protects the conductor past year, and how favorably it is looked upon by police and government officials throughout the country.

He was followed upon by police and government officials throughout the country.

he wishes to pay. The occasional passencer tendering five pennies will be larger cities of the country, there handed a nickel in exchange for insertion. Transfers will be issued and accepted, as usual, but without registration.

The new 20-ounce collecting register is not a box or a container of any kind. It does not hold the money. It fits comfortably into the conductor's interest in this vicinity. We hope the public will have the exact fare ready as often as possible."

This system is to go into effect in New London this week and will later be tried out here. time himself.

The roll of the delegates was called

and the minutes of the last meeting accepted. Michael B. O'Neill and Mi-chael J. Corcoran were the delegates chosen to represent the city in the

onvention.

The secretary's report showed that the total membership of the organiza-tion is 1279, a gain of 65 over las year's figures. Thirty-six departments were represented in the convention and the number of delegates was 242 Three deaths have occurred during the past year, and there are now 13 children of deceased members of the organization receiving \$104 per year

organization receiving \$104 per year from the organization.

It was voted that the secretary's report be accepted.

The treasurer's report showed a large gain over last year's. This report was also accepted.

Officers Are Elected.
